

SB-I/O Surface Mount Backbox

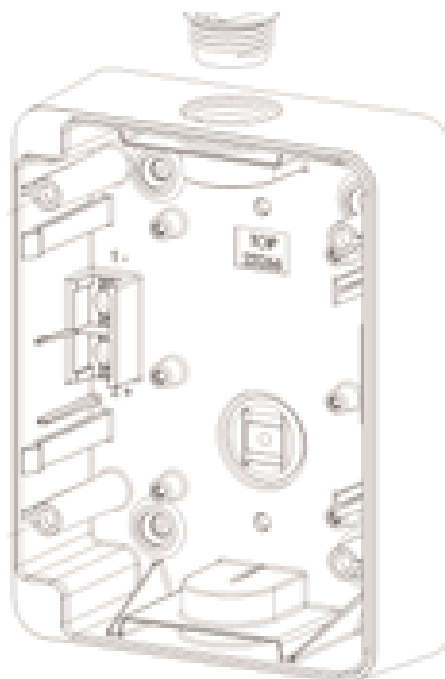

Easy to Install, U.L. listed for Indoor and Outdoor Applications.

SB-I/O Surface Mount Back Box

The SB-I/O Surface Mount Back Box is for use with the PS-SA and PS-DA models of pull stations. In addition to being molded out of increased UV stabilized polycarbonate material (94V-O), the SB-I/O's mounting holes and bottom conduit entry are molded with a thin wall of material to provide improved outdoor weatherability.

Features:

- UL Listed for indoor and outdoor applications
- Molded Self-Sealing Mounting Bosses
- CSFM Listed
- Snap Latches for Easy Installation of the Pull Station
- Two Reinforced 1/2" NPT Connector Outlets (One Plug Included)
- Single-gang Electrical Box Mounting Holes (Knockout)
- Four #10 x 1.00" Mounting Screws Included

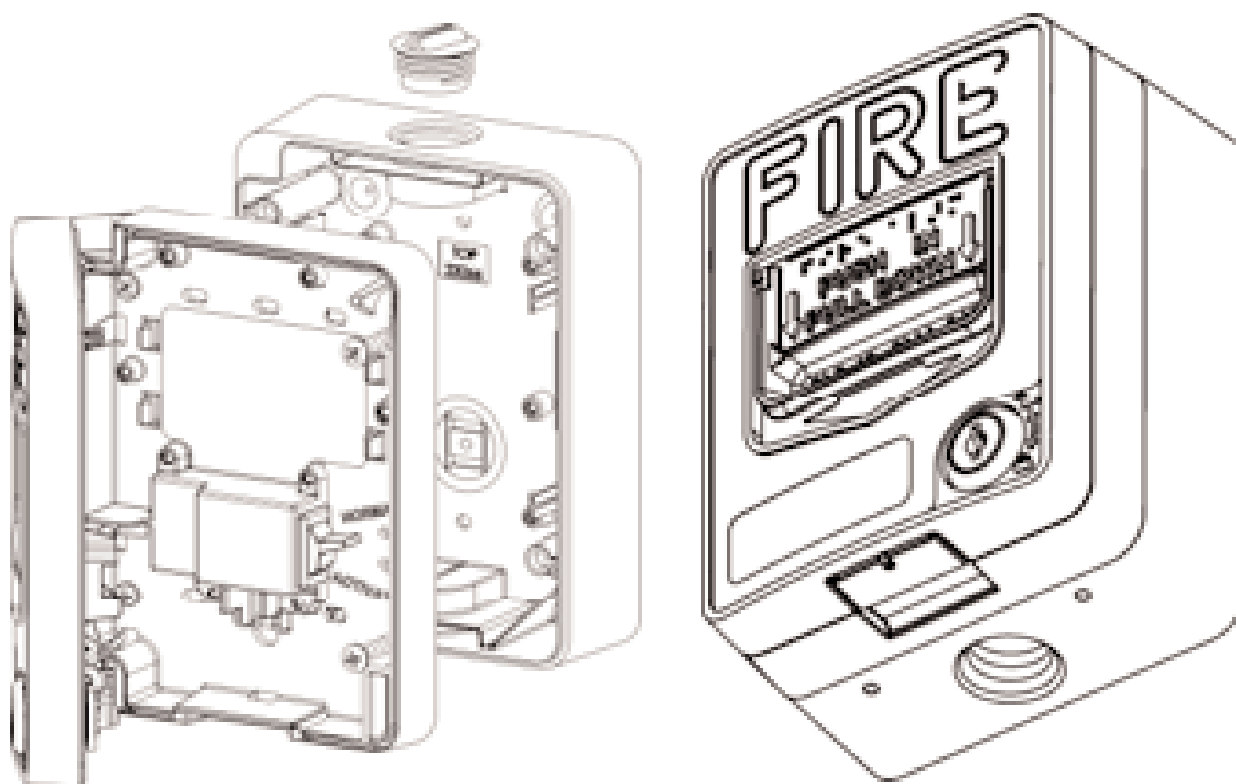

SB-I/O
